Natural Capital and the Blue Economy Plan

Mon, 27 Feb 11.00am - 4pm GMT

Examine the benefits of implementing the Blue Economy Vision for Scotland and embedding marine natural capital into planning cycles. Explore projects from Scotland, the UK and internationally, we'll consider the synergies between marine and land-based data collection and apply lessons learned from terrestrial practice.

Natural Capital

University of
St Andrews

An in-person workshop to be held at St Andrews University, Fife

A Practical Workshop on Using the TNFD

Tue, 14 March 9.30am – 12.30pm GMT

A 'how to' tutorial session working through the Taskforce on Nature-related Financial Disclosures (TNFD) framework step by step examining challenges specific to attendees' organisations.

Gain a better understanding of applying the framework in practice and contribute learnings to the next iteration of the framework.

To be held at the University of Edinburgh Business School and online
